PROFESSIONAL EXPERIENCE

IT Support Analyst

RSM US LLP [🔗](#)

07/2025 – Present
Hyderabad, India

- Managed incidents and service requests using ServiceNow.
- Participated in Incident Quality reviews and process compliance activities.
- Provided temporary Level-2 support for escalated issues.
- Collaborated with cross-functional teams to resolve user issues.
- Worked extensively with ITSM processes and ServiceNow workflows.

SERVICENOW LEARNING & PROJECTS

ServiceNow Development Learning

- Learned Business Rules, Client Scripts, UI Policies, Data Policies, GlideRecord, Script Includes, and GlideAjax.
- Practiced CRUD operations using GlideRecord.
- Understood client-side vs server-side scripting.
- Studied Import Sets, Update Sets, and CMDB fundamentals.
- Completed ServiceNow PPM concepts including Demand, Project, Portfolio, and Resource Management.

WEB DESIGN OF LANDING PAGE USING FIGMA [🔗](#)

This landing page design aims to create a compelling user experience that drives conversions through intuitive navigation and visually appealing design elements.

PERSONAL PORTFOLIO WEBSITE

Created a fully responsive personal portfolio website to showcase my technical skills, projects, and resume. Designed for a clean user experience on desktop.
